'And a NEW WORLD is revealed to me! A world as *devoid of life*, it seems, as the last. But it is also devoid of *conflict*.'

'I can rest.
And I can heal.'

'And I find
peace here.'

'And for a while that
alone is enough.'

'Until it isn't.'

'Because my soul is that
of a *seeker*. I require
purpose. Direction.'

'And if this '*Cyclope*'
can offer me that...'

'Well then!'

'It serves me
to *find* him!'

A dark, textured illustration of a skeletal figure with a red eye, sitting in a chair. The figure is rendered in a dark, almost black, color with some blue and green highlights, giving it a ghostly or undead appearance. It has a single red eye and a long, thin, blue tongue. The figure is sitting in a chair that is partially visible, with its backrest and armrests. The background is dark and textured, with some light-colored, jagged shapes that look like pieces of stone or wood. The overall mood is dark and ominous.

AH HA!

YOU'RE
FINALLY
HERE!

ABOUT
TIME.

BUT THEN,
ISN'T IT
ALWAYS?
