EVIVAL

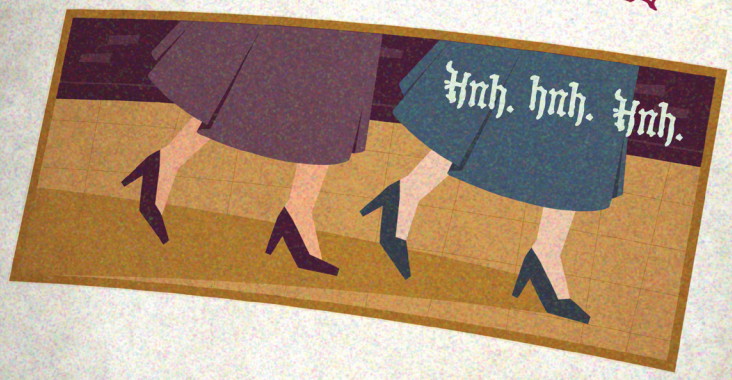

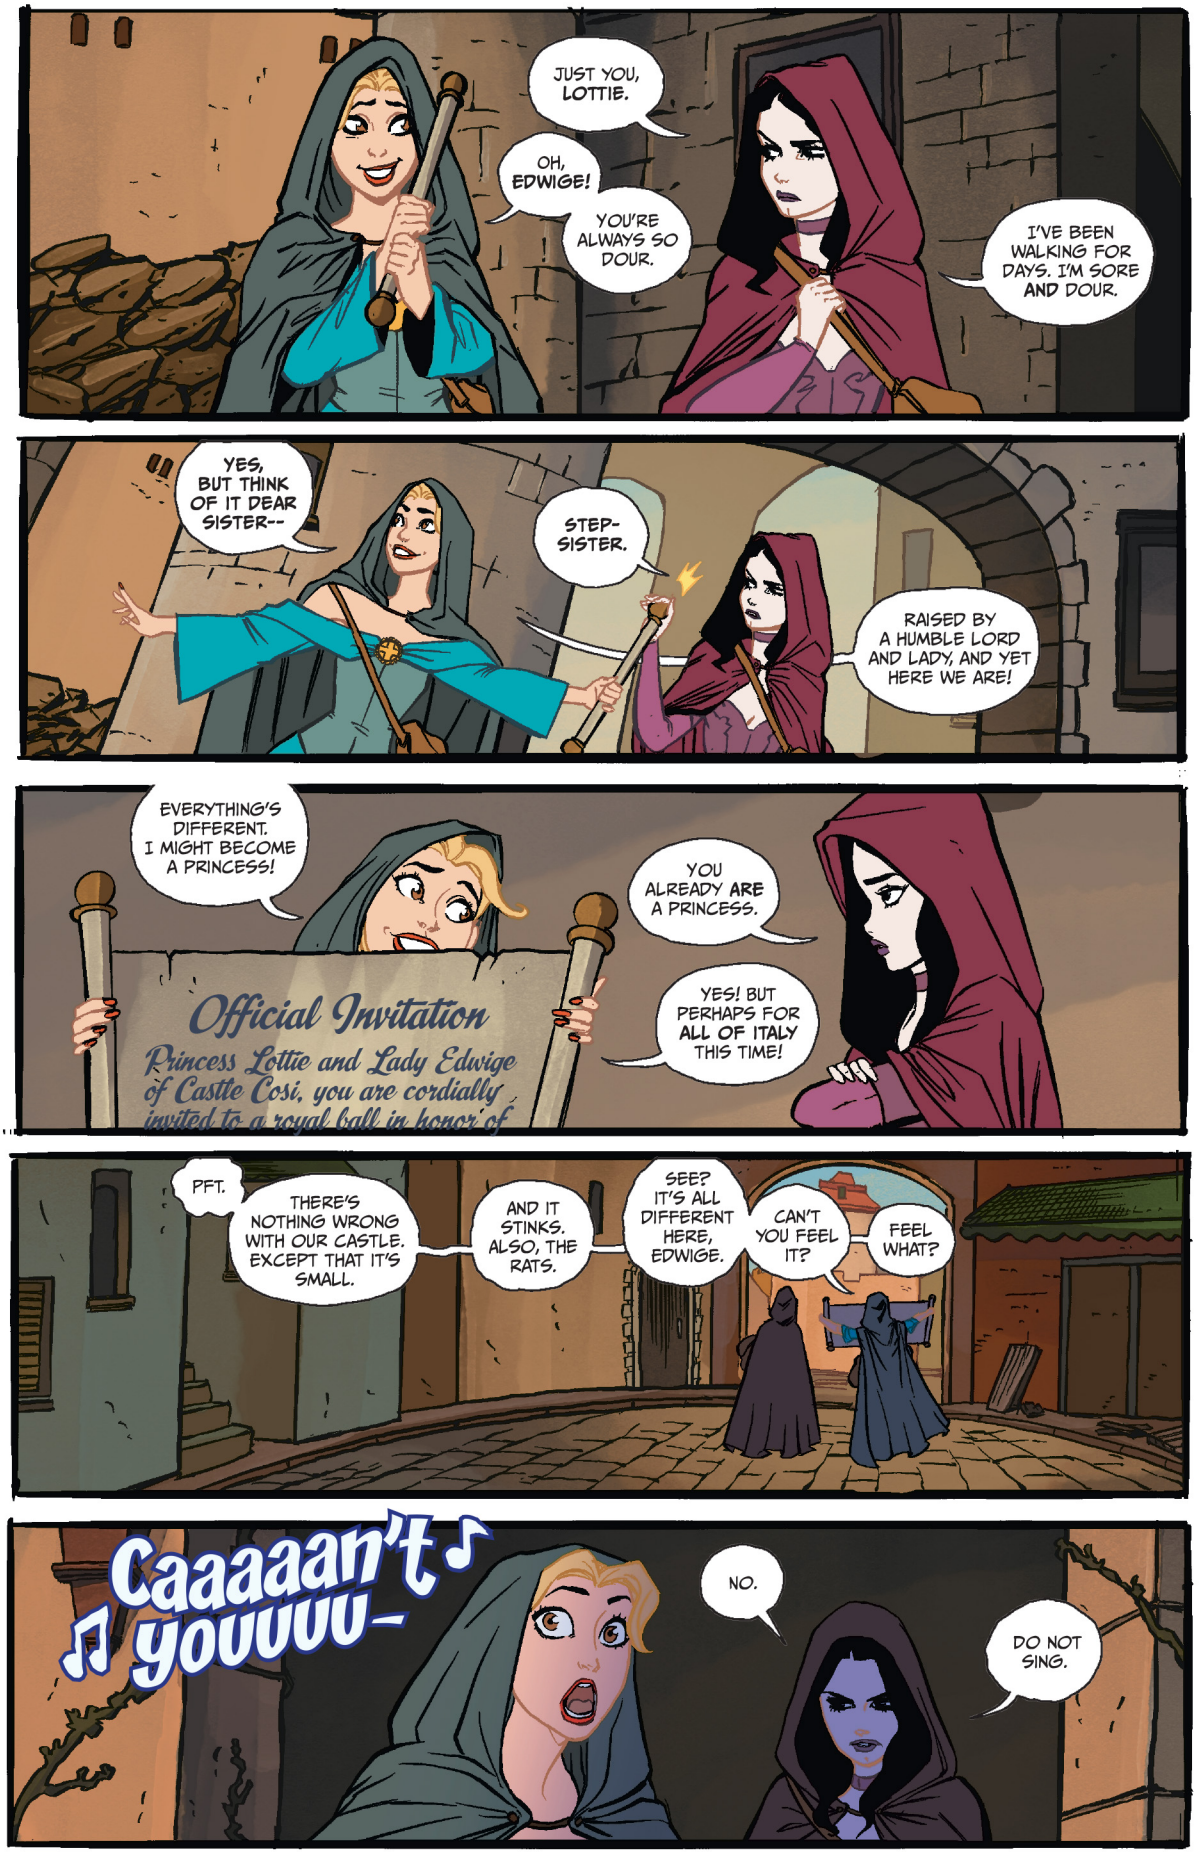

Once upon a time.

The Kingdom of Sardinia faced dark times. The lands of the Italian peninsula had long been in conflict, but with the disappearance of his one true love, Prince Carlo was truly lost. The Queen knew her country could not long survive without its royal family.

And so she called upon all unwed princesses from across Europe for a simple contest for her son's hand. She sought a woman who was refined, untouched, and deeply sensitive.

A princess of true royal blood.

JUST YOU, LOTTIE.
OH, EDWIGE!
YOU'RE ALWAYS SO DOUR.
I'VE BEEN WALKING FOR DAYS. I'M SORE AND DOUR.
YES, BUT THINK OF IT DEAR SISTER--

EVERYTHING'S DIFFERENT. I MIGHT BECOME A PRINCESS!
YOU ALREADY ARE A PRINCESS.
